Dear

STAT

Thanks ever so much for your very thoughtful note. I'm not sure it was 20-0 but I enjoyed the opportunity to try to strike a few blows for freedom.

We certainly enjoy having with us here. I had a nice session with him when he first started and another when we jointly stood on the curb with Clark Clifford after Clark had given a talk to our Agency people and was waiting for his car. I've asked to be sure to check back with me after about six months here.

Pat and I are sorry we missed seeing you and when you were down here last August. My father passed on at just that time and we were pretty busy helping my mother. I hope we can make up for this at another time.

All the best.

Yours,
